

SCHOLARSHIP STUDENTS GENERAL INFORMATION.

We are currently supporting 9 students on education scholarships. Most of the students belong to the lowest, Dalit, caste in Nepal. These photos were taken on our recent trips to Nepal. Committee members enjoy interacting with the students very much & provide them with the advice & support families usually give.

Manju (19 years) is a very bright young woman who has almost completed her first year at Kathmandu School of Law. She is doing really well in her studies & is part of a select group of 40 students from her year to be chosen to participate in a leadership program. She plans to advocate for women's rights in her country after graduation. Manju in her College uniform. (2017)

Bhanu (19 years) has recently completed Year 12. He is currently completing a 4-month cooking/waiting class at Sahara School of Hotel Management & Tourism. His goal is to study a Bachelor of Hotel Management when he learns his Year 12 results.

Bishal (19 years) is currently completing a dual degree, Bachelor of Business Studies & Accounting. He is about to start the second year of his Chartered Accounting studies (CAP 2) & was one of only 5% of Nepali students who successfully passed CAP 1 of these studies on his first attempt. In January 2018 Bishal will be doing an accounting internship before he completes stage 3 of his course. He will continue with his Bachelor of Business Studies during this time.

Prachandra (16 years) has recently completed Year 10 at a public school in remote Nepal. He has moved to Kathmandu to continue his studies & was granted a scholarship to complete Year 11 & 12 at NIC studying business management. He started his studies in July. He has joined Hem & Bijaya, living at NIC hostel.

Bijaya (17 years) completed Year 10 in May 2017. He is a studious boy & recently returned from his village to accept a scholarship to continue his studies to complete Year 11 & 12 at NIC College studying business management. He started his studies in July & lives in the college hostel with Hem & Prachandra.

Hem (16 years) is a very talented student recently graduating from Year 10 with a very high score. He accepted a scholarship to continue his studies to complete Year 11 & 12 at NIC studying science. He started his studies in July & lives in the college hostel with Hem & Bijaya. He is looking forward to a future in the science field.

Denise, Pursottam (Education Program Coordinator) & Bhim (Education Program manager) signing the MOU in Kathmandu, May 2017.
