NEWSLETTER # 11 November 2016

Dear supporters!

FONAI/DRMIS Sponsorship

At our September meeting the board regretfully decided to cancel the FONAI/DRMIS education sponsorship program due to concerns about our ability to monitor it appropriately. We are proud of the contribution our small group has made to the building of the DRMIS school & to the welfare of the children at the Orphanage.

Scholarship Program

We are delighted that many of our sponsors have transferred their support to our scholarship program. This is a very important program as these young people face challenging futures after they leave the Orphanage and access to all support ends. Many have little or no contact with families they left behind in the villages, families who often are living in poverty & cannot help them.

FONAI scholarships provide them with the funding they need to get skills, to live & to eventually be able to find jobs & live independent lives. We are very confident that these young people will succeed & give back to their country. Our members remain in close contact with the children still living at the Orphanage & we will do our best to assist them with scholarships in the future as well. Your support is vital to these young people & we thank you all very much!

In a few weeks, three of our scholarship students, Bhanu, Ganesh & Anjana, will graduate from high school & start planning their futures. This is such an exciting time for them (& for us!) as they know they will have your support to enable them to undertake further study. Our manager Bhim & their counsellors here, will mentor them through this process & help them make a successful transition into adult life. We look forward to hearing their exam results & their plans for their futures!

The need for scholarship support is great & our fundraising efforts are a major source of income for funding. We have 2 more events planned before we take a break over January!

We also have 2017 calendars for sale at a special November price of \$10! They make great stocking stuffers!
