

Bhanu FONAI Scholarship Twelve Month Report. March 2017.

Bhanu is 18 years old & is currently completing his final year of school, year 12, with the support of many FONAI sponsors. He will complete his studies in May 2017.

I am writing to thank you for your generous, financial support towards my higher education. I am Bhanu & am studying hotel management in Year 12

I am happy that I am a recipient of a FONAI education scholarship.

I am from a remote part of Nepal, a district named Bajhang. I was brought to Kathmandu by one of my relatives who was unknown to me and that person placed me in hostel (DMUK) when I was 8. I was kept in the hostel because my economical condition was not so good.

Now I am 18 years old & have completed +1 and am now completing Year 12, or +2. My study will finish after a few months.

If my sponsors are willing to help me more for my studies I am planning to complete the same subject: Bachelor In Hotel Management(BHM).

I am so happy to be sponsored because when I left the hostel I was helpless and thought there is no one to help me for my further studies and my dreams are in vain.

Fortunately FONAI helped me to rise once more for my further studies and join college to complete my schooling. FONAI has not just helped for my studies only but also it has managed everything, a place to stay, food, clothing, bus fare, etc .

Lastly I am so happy to have this scholarship & promise you that I will focus on my education and put all my energy into doing well in my class. Your generosity is allowing me to make my goals and dreams a reality.

I hope in return one day I will be able to make you proud and help other helpless kids like me to achieve their goals.

Yours sincerely, Bhanu.
