

Sandeep FONAI Scholarship Twelve Month Report. March 2017.

Sandeep is 17 years old & is currently completing year 11, with the support of many FONAI sponsors. He will complete his studies in June 2017.

Respected friends of Nepal/Australian family.

I am Sandeep & am in Year 11 studying fine arts at Sirjana College. This is all because of FONAI & my parent/sponsors Gary & Sue. I want to thank you all for your help & support.

This scholarship has really brought a change in my life as I am able to go to art college. I can now enjoy each & every moment & it has made my life easier to live than before.

This scholarship is for Year 12. After completing +2 high school I need to work on my own for my self spending!

What I hope & plan is I will make paintings & request Friends of Nepal to sell them. By selling them FONAI can earn some funds/money for my self spending & also help in raising funds for scholarships students.

After I finish +2 I dream to study my Bachelors in Australia if possible or at Sirjana College of Fine Arts.

Finally, I want to thank FONAI, my sponsors & parents Garry & Sue & all who have helped me for providing the scholarship, for your helping hand & kind heart. I hope your help & support will be continued.....

Sandeep.
