

Student: Bijay

Age 18

Currently studying Year 11 at NIC College in Kathmandu, specialising in Business Studies.

I am sincerely honoured to have been selected as the recipient of an Education Scholarship.

Firstly, I am a student who cannot afford money for my higher studies. By this scholarship I have got a chance to develop my skills & knowledge & has shown me a good path for being a successful person in my country.

I am doing better in my studies for my bright future now that I am studying business management in Year 11 at NIC College.

Thankyou again for your thoughtful & generous donation towards me.
