

Partnerships- Canopy Nepal

In June 2018 we partnered with Nepali NGO 'Canopy Nepal' to manage our education scholarship program. We are very excited about this partnership as Canopy Nepal members are young, dynamic and have previous experience in managing a similar program with a Canadian NGO. We believe this experience, combined with their youth and enthusiasm, will make them excellent mentors and role models for our students. Their mission, vision and values are very similar to ours! <http://www.canopynepal.com/about>
