

Dear FONAI

Likes Loves Lives and grows in our hearts You brought to our day warmth to our Lives and happiness to our our hearts thank you for your thoughtful scholarship gift

I am sincerely honored to have been selected as the the recipient of the Education scholarship. Thank you for your generosity. I am very glad to write this letter.

As getting a scholarship from FONAI I was very glad because in my life I have never expect about scholarship but when I have got scholarship. I was so excited to fulfill my dream which comes true in my life. So I think scholarship is not a small program for me because As I am from rural areas of our country and so huge numbers of people are uneducated so by getting scholarship it was like founding a diamond. So scholarship provides me proper education which will turn my life so I want to thank FONAI for providing me such types of opportunities in education and health, as well other facilities also.

There is no exercise better for the heart than reaching down and lifting people up. So by this I was like coming from dark to bright. If I was not provide these scholarship.

So lots of thanks to FONAI for scholarship program  
Thanks you lots of remembrance
