Important Notes
- 52.4% of people have monthly saved money around Rs. 100-200
- 47.6% of people have not saved any money

Property Ownership

Property Ownership of Participants & Their Family
(Total Participants = 42)

| X Y Z | X Y | Y Z | Y | – |

X = Have Their Own Land   Y = Their Family Owns Land   Z=Have Their Own House

Property Ownership of Participants & Their Family (Total Participants = 42)	
X Y Z	14
X Y	3
Y Z	3
Y	9
–	13

Important Notes
- Out of total participants
  - 34% own their own land/house & their family owns land
  - 7% own their own land/house & their family owns land
  - 7% own their own land & their family owns land
  - 21% own their own land & their own house
 - 31% do not own any property

Family Member

Family Members of Participants
(Total Family Members = 236)
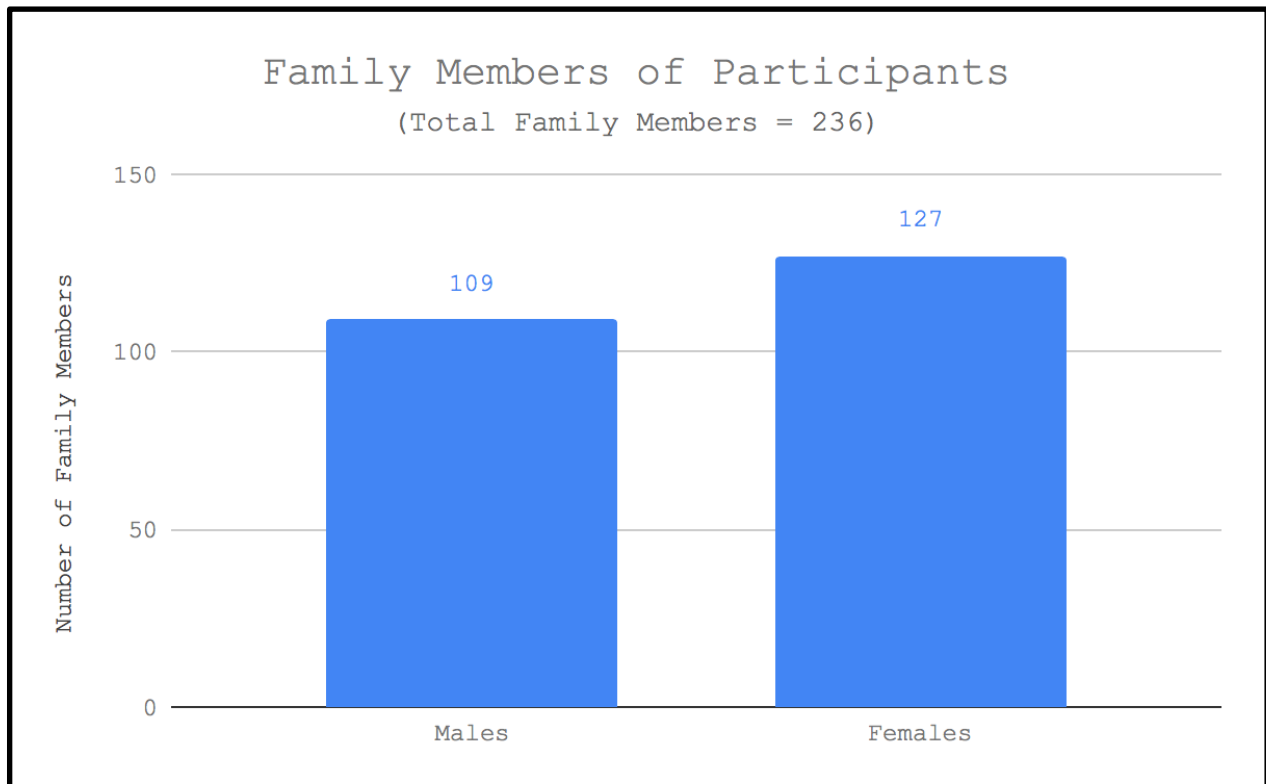

Family Members of Participants (Total Family Members = 236)	
Males	109
Females	127

<u>Important Notes</u>
- Out of the total family members of all participants
  - 46% are males
  - 54% are females

Family Occupation

**Few participants have more than one family occupation

Family Occupation of Participants
(Total Participants = 42)
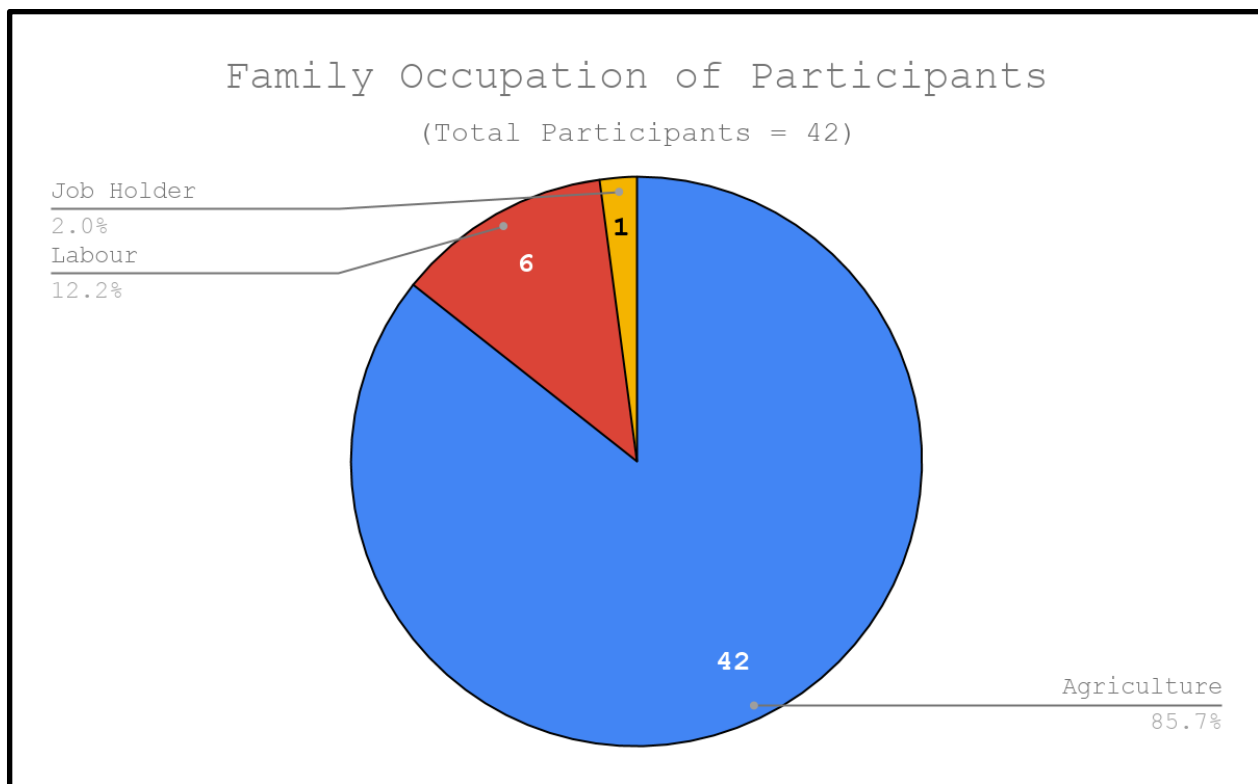

Family Occupation of Participants (Total Participants = 42)	
Agriculture	42
Labour	6
Job Holder	1
Small Business	0
Other	0

<u>Important Notes</u>

- All 42 participants families are involved in Agriculture Work
- 6 participants have family that are involved in Labour Work
- Only 1 participants family is a Job Holder

Survey Participant's Children
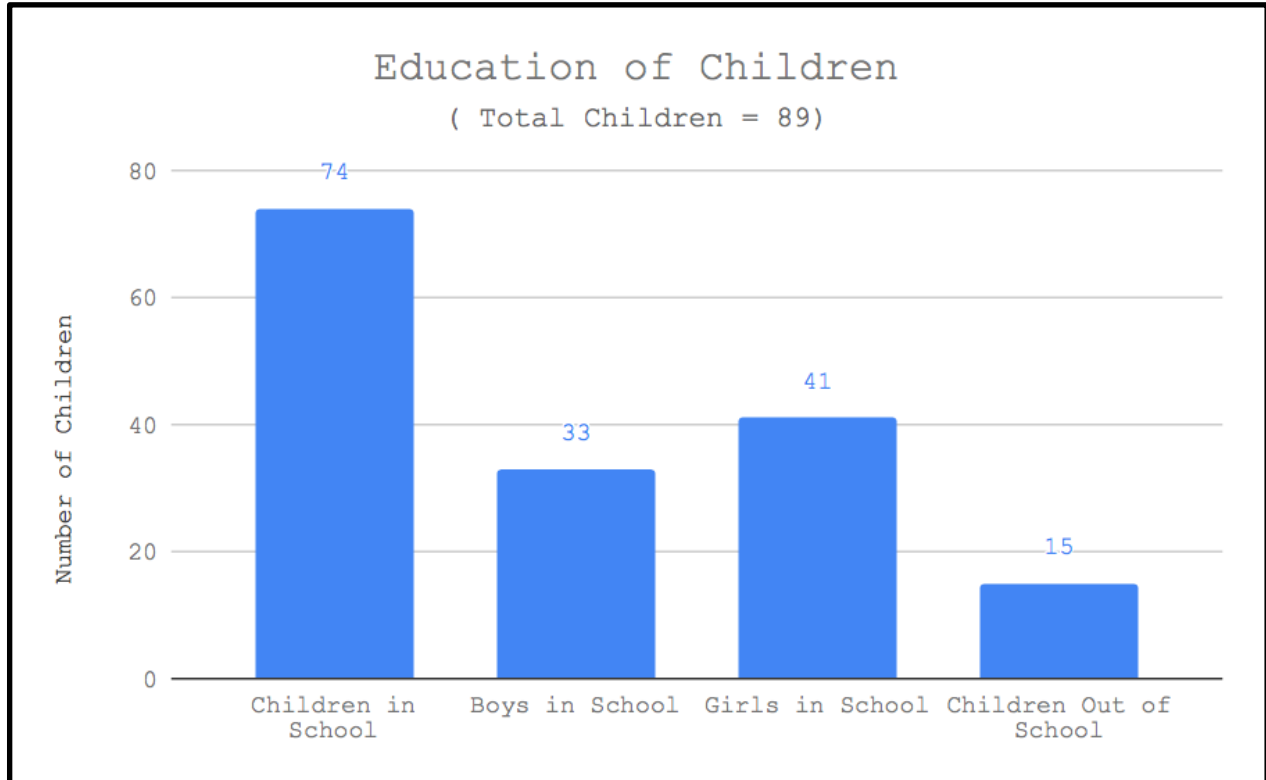

Age of Children

Age of Children
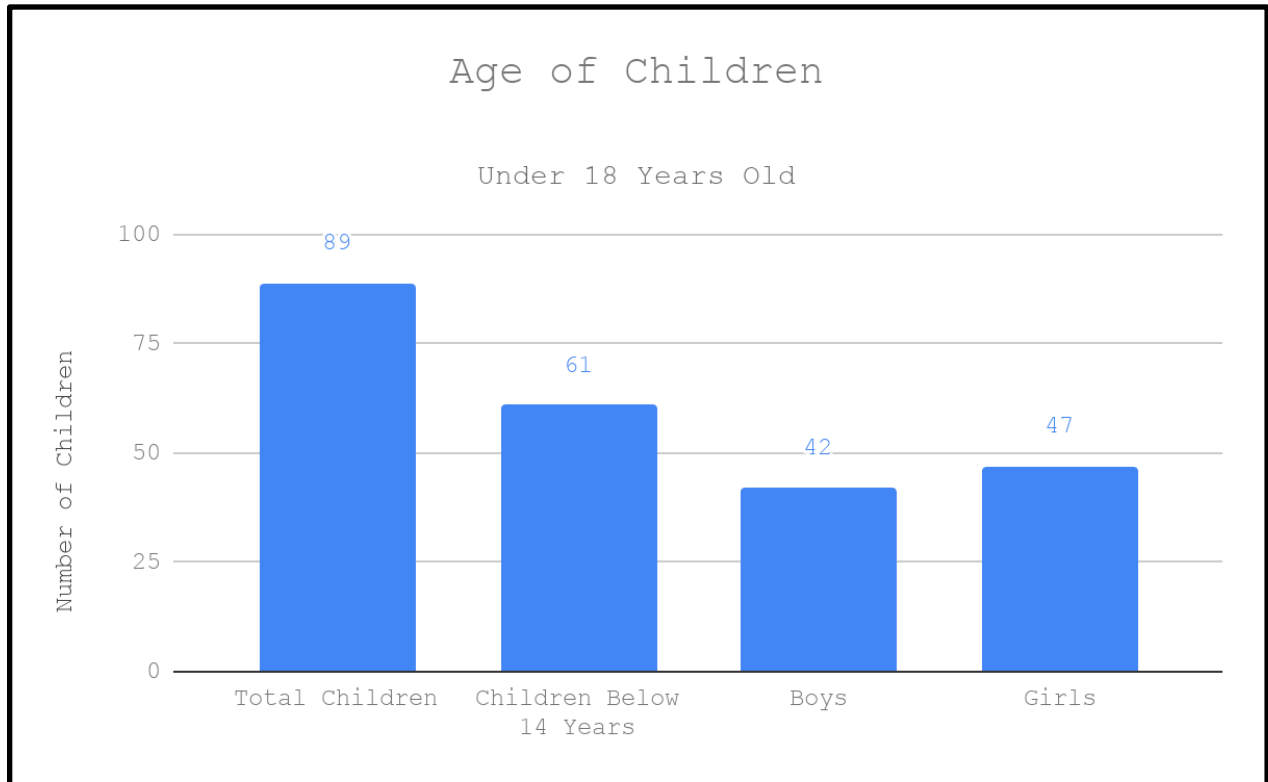

Under 18 Years Old

Age of Children	
(Under 18 Years Old)	
Total Children	89
Children Below 14 Years	61
Boys	42
Girls	47

Important Notes
- Out of all the children of the participants (children under 18)
  - 61 of them are below the age of 14
  - 42 of them are boys while 47 of them are girls

Education of Children

Education of Children
(Total Children = 89)
