We are delighted that we have surpassed our program gender equity goal as we now have 8 girls & 6 boys on scholarship! Six of our new scholars are completing senior secondary or post secondary studies majoring in nursing. Sajina (pictured) has just started her Diploma of Nursing.

Self Employment through Education Program Update.

FONAI recently facilitated funding support for two new SEEP programs in Kavre district in Nepal. Fifty women are currently attending literacy & numeracy classes & information sessions have also been held to raise their awareness of child labour, child marriage, child rights and child friendly local governance.

Fundraising.

A big thank you to all who attended our annual Gala Fundraising Dinner & Auction at Taste of Himalayas last month. Thanks to your generosity over \$9,500 was raised on this night! We raised another \$1300 at the Rotary Club of Blackwood Christmas Fair on 10 November. We will have our final fundraising stall at the Montessori Children's Centre Twilight Picnic at McLaren Vale on 12 Dec.

We thank everyone who supported us in so many ways this year! This support has enabled us to expand the scholarship program to reach more significantly disadvantaged young people in Nepal. We really appreciate you all!
