UPDATES

ONLINE LEARNING SERIES

Our scholar Saugat Wagle facilitated an interactive workshop on the topic "The Social Good of Social Media" for our younger scholars where they were able to learn about how the internet and social media provide young people with a range of benefits, and opportunities to empower themselves in a variety of ways. Saugat also introduced another important topic - Plagiarism and spoke about its impacts.

MEETING WITH SCHOLARS

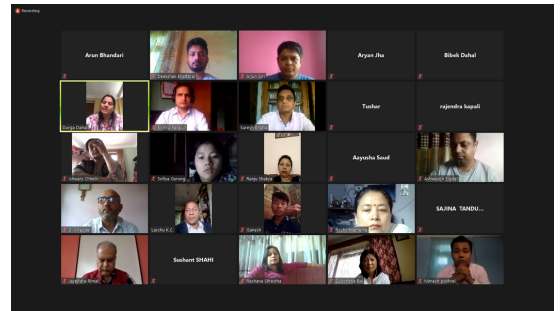

Canopy Nepal Scholarship Programs, FESSHIP and CANSHP organized a meeting with the scholars to have their insights and suggestions to conduct possible workshops and sessions as per their requirements. We will be conducting different workshops and sessions as per their inputs in the coming days.

SCHOLARS' VOICE

"I don't see the world through my sight, I can feel the world from my heart." – Saugat Wagle

HIGHLIGHTS

COVID SUPPORT

We are in touch with our scholars regularly. In these follow-ups, we realized, one of our scholars, Sushant and his family who are currently in Kohalpur, were in a difficult situation due to the lockdown. Understanding this, we provided basic food supplies, to help them cope with this dreadful situation.

UPDATES

One of our scholars, Sushant Shahi successfully completed his Secondary Education Examination (SEE) with GPA 3.80 (A+).

On August 1, we organized the monthly meeting with our scholars via messenger video call where all the scholars shared their progress, achievements and challenges.

Our scholars are regularly attending online classes from their respective institutions. We are providing recharge cards (top-up cards) to them as most of our scholars are facing problems to access it back in their village. Besides this, we are also facilitating various online sessions and workshops in collaboration with CANSHIP every week.

For more information about our work, please visit [FESSHIP](#) and other social media accounts.
