FONAI's Mission

Our Mission

Our mission is to provide access to senior and post secondary education to socially and economically disadvantaged Nepali youth who otherwise would not have the financial means to fulfil their educational goals.

FONAI views higher education as a catalyst, an agent of change for individuals, families and communities.

To succeed in our mission we:

- Promote and provide financial support for senior and post secondary education via an education scholarship program
- Assure that students have all the information and support necessary to make sound educational and financial decisions about their futures
- Lead a collaborative network of educational partners aligned to support student selection, preparation, transition and persistence to course completion.

FONAI Structure:

Friends of Nepal-Adelaide In (FONAI) has a governance committee consisting of seven members.

The Management Committee meets bi- monthly. All members are volunteers.

FONAI does not employ any paid staff members in Australia.

FONAI funds salary of a Friends of Nepal-Adelaide Inc (FESSHIP) program coordinator to manage it's programs in Nepal.

FONAI has partnered with Nepal Non Government Organisation 'Canopy Nepal' to manage the daily operations of the FESSHIP program in Nepal.

Partnership agreements are for 12 months – June 30-July 1 every year, unless exceptional circumstances apply.

Funding Sources

FONAI relies on individual sponsorships, donations and fundraising events to cover all FESSHIP program costs in Australia & in Nepal.

Funding Methods

The main methods used by FONAI to raise funds are sponsorships, donations and fundraising events.

FONAI's reliance on volunteers

FONAI is building its volunteer base with about five regular volunteers currently helping in various tasks and events and general support. All members of the Management Committee also volunteer their time to set strategy, attend meetings, raise funds, networking, develop policies and procedures and provide stewardship of the organization.

Friends of Nepal - Adelaide Inc.

Proud Supporters of Education in Nepal

Nepal Program Management Partnership

FONAI has a partnership agreement with the Canopy Nepal to deliver the FESSHIP program in Nepal.

The chairperson & members of this NGO oversee the implementation of the program ensuring that it is compliant with Nepal regulations for foreign NGO's working in Nepal.

Canopy Nepal employs a manager for daily operations of project. FESSHIP manager's salary is paid with project funds.

FONAI Shared Funding Partnership

FONAI has formed partnerships with Rotary Club of Lindisfarne - funding 1 student

FONAI Statement of Service

Description of FONAI's 2022-23 Scholarship Program

In the 2022-2023 financial year, FONAI is funding educational scholarships for up to 11 Nepalese young people to attend Senior High school and/or post secondary studies.

Gender balance has been surpassed with future scholarships offered on merit, not gender.

Currently, although interviews are not yet finalised due to COVID 19 delays, it is expected 8 girls & 3 boys

Age range of students is 15-22.

FONAI has 3 students currently completing high school studies & six completing University/Vocational studies. Two students are in transition from +2 to post secondary & yet to decide.

2021-2022

Decreased total # of scholarship student to nine (9)
Investigated & secured 1 new funding partnerships
Signing partner for RAWCS project to support SEEP program
Student success
Completion Rate: 100%
Retention Rate: 100%

2022-2023 Goals

Renew partnership agreement with Canopy Nepal for 2 year period.
Communicate twice monthly with FESSHIP manager to facilitate communication & strengthen program
Explore & pursue alternative sustainable fundraising options
Expand private public sponsorship program
Apply for grants to sustain and/or develop other programs
Recruit new committee members & 'sunset' supporters
Review governance policies & procedures

FONAI's Goals in next 5 years are:

Ensure sustainability and maximise social impact of FESSHIP scholarship programs
Identify & implement succession plans for management committee
Pursue funding grants
Pursue new & retain existing partnerships
Secure funding to maintain existing program
Formalise monitoring program of all graduates for better program evaluation
Capacity building in both NGO's

The Public Benefit Need

WHAT IS THE PUBLIC NEED?

In Nepal, the official primary school age is 5 to 9 years.
The official secondary school age is 10 to 16 years.
Less than half of all Nepali children continue their education at the secondary level.
The link between poverty and school attendance at the secondary level of the education system is even stronger than at the primary level.
Nepal is a country with historically large gender disparities in school attendance, where girls were much less likely than boys to receive a formal education.
COVID 19 has had massive impact on Nepal's economy and education system. Many schools are moving to on line study, resulting in further marginalisation and disadvantage for our students. The gaps between private and public education system are widening and without scholarships many Nepalis will be unable to access quality education.

Who Benefits from FONAI's Activities?

Children from the marginalised and/or lowest caste benefit from FONAI's activities.
Institutions in Nepal will benefit from increased secure enrolments.
Partner NGO's will benefit from sharing of resources/documentation etc
Nepal will benefit as education is considered to be vital for it's future development.
<http://www.educatenepal.com/contributors/articles/higher-education-in-nepal-issues-and-challenges>

How They Benefit.

Students will benefit because they will be able to stay at school and complete high levels of education. They will have access to technology required to participate in education post COVID19. Increased education qualifications will provide access to jobs and financial independence as economy recovers and break the cycle of poverty of birth and/or caste. Families will not have struggle to support these students.
The students will be able to focus on their education studies as they, and their families, do not have to worry about living or course costs for the duration of their scholarships and courses of study.
Students benefit from uninterrupted study as scholarships are provided for the duration of the course, unless scholarship terms and conditions are not met.
Institutions benefit as student fees are guaranteed.

What similar services are currently available?

FONAI has not identified similar services to the Educational Scholarship Program which focuses on higher education only.

There are educational scholarship programs which assist students currently living in Institutions, (Children's Homes and/or Orphanages) & others which assist students who live at home to pursue study post 10.

What is the Unfulfilled Need?

The education challenges largely relate to poverty in Nepal.

Nepal is one of the poorest countries in the world. The UN estimates that 40% of Nepalis live in poverty.

Food insecurity, poor housing, low soil quality, low literacy, natural disasters, and ethnic discrimination plague the Nepalese people.

Nepal is highly dependent on foreign aid and assistance from NGOs.

Ongoing NGO projects include energy access, skills development, environmental protection, infrastructure, clean water, and education.

<http://borgenproject.org/poverty-nepal/>

FONAI Shared Projects.

FONAI is founding member for RAWCS SEEP project with Rotary Clubs of Mitcham & Dilibazaar & the Child Development Society

FONAI also works closely with Australian and Nepali Rotary clubs.

FONAI also works closely with local charity South Pacific School Aid to sort and send educational books to needy schools and libraries in Nepal, identified by our partners.
