

## Newsletter July 2023

### Namaste!

We are excited to begin the second year of our partnership with Canopy Nepal to manage the FESSHIP program. We will celebrate many achievements over the course of this year! Two young women will graduate with Diplomas of Nursing & transit to working life & our team is currently providing career counselling to several recent Year 12 graduates while they anxiously await final results. We look forward to seeing what their futures hold as they transition to work or further study! The team recently enjoyed a relaxing picnic with Canship & FESSHIP students & reported on a very fun day! All final program reports will be received after Nepali EOFY in mid July so we will keep you updated. Our AGM has been tentatively planned for September 12 (details will follow) & we have our first 2023 movie fundraiser event planned for Sunday, July 23. (see below)

Dress up in sparkles & pink, escape the winter blues & the bad news stories & join us in this fantasy/comedy for a fun afternoon! As always you can be very confident that the funds raised will help educate & empower some of the most marginalised people in the world!

Once again we thank you all for your ongoing support & look forward to seeing you at the movies!

Lynne!
