

Newsletter October 2023

Chairperson's Report

This financial year will be the final year the FESSHIP scholarship program is managed as a separate program within Canopy Nepal. We will work with our Nepali team to transition post June 30 2024 FESSHIP students to the CANSHIP program, a joint Canopy & Canadian education scholarship program. We will not be offering new scholarships whilst we work through these changes. Our focus is to support all FESSHIP students to successful completion of their studies. We will keep you informed as discussions progress & hope to see you at the AGM!

Lynne!

FESSHIP Student News.

Congratulations to Sajina & Shoban on recently receiving their Diplomas in Nursing. Our Year 12 students also received excellent results & are pursuing study options for the new academic year which begins in late October. Our final year university students will undertake internships this year also! By June 30 2024 we will have two Diploma qualified nurses, 2 university graduates & 4 year 12 graduates!

Outreach programs Eye Health Project

We are delighted that Canopy Nepal has agreed to facilitate funds for distribution to the Eye Health Project Team to enable them to continue their work diagnosing & treating eye problems with under privileged children in Kathmandu. If you wish to support this project please see details below. Together with the Rotary Club of Lindisfarne we have \$1500 to date. Thankyou for the donations of eye glasses, (the stronger Australian frames are used for the new lenses) which are being collected by Denise to be carried by either Lynne or Lindisfarne Rotarians on their next trip in 2024.
